SUMMARY

I am a second-year student at Vilnius University, pursuing a degree in Information Systems and Cybersecurity. My passion for technology drives my ambition to launch a career in the IT and cloud computing industry. With certifications in Microsoft Azure Fundamentals and AWS Cloud Practitioner, along with a strong foundation in self-taught skills, I possess the ability to learn quickly and pay meticulous attention to detail. My experience as a team player on collaborative projects further reinforces my adaptability. Currently, I am actively seeking entry-level opportunities in the IT and cloud computing sector, where I aim to leverage my skills and knowledge to make a meaningful impact
